

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

Florence M. Tarr Wildlife

v.

Civil No. 11-cv-199-LM

Ryk Bullock, et al.

NOTICE OF RULING

Re: Doc. No. 25, Motion for Removal of Stay

By order dated February 7, 2012, this case was stayed "for 9 months subject to any party filing a motion to bring forward for additional proceedings." Petitioner's motion for removal of stay does not seek to bring forward the case in this court for additional proceedings; it asks this court to enforce a settlement agreement approved by the state Probate Court. While this court can adjudicate the claims brought before it, the court that approved the settlement agreement is the forum in which to seek its enforcement. Accordingly, plaintiff's motion is denied. In this court, plaintiff shall file a status report, or a stipulation of dismissal, on or before December 12, 2012.

SO ORDERED.
